Interested in experiencing the power of the team model in collaborative divorce? You won’t want to miss this two-day workshop!

This highly-acclaimed comprehensive interdisciplinary training, being presented for the eighth time, will introduce each participant to the theories, practices, and skills needed to begin a collaborative practice and also satisfies the minimum standards for basic training set by the International Academy of Collaborative Professionals. The workshop will also be helpful to those who wish to refresh their initial collaborative training and are looking to network with other members of the collaborative professions.

The training will emphasize the policies and protocols of the Sacramento Collaborative Practice Group, an association of over 100 collaborative professionals in the greater Sacramento and San Joaquin Valley areas. Course handouts will include Collaborative Policies and Guidelines, Protocols, Forms, Sample Letters, and other materials utilized in the collaborative team model.

In addition to course materials, lunch is included on both days. Morning and afternoon refreshments will be provided as well. A wine reception will be held at the end of the first day for all attendees.
